Can you listen baby
I know that it might sound crazy
But, I Just Wanna Cut
And, Yes I gotta lady
But gurl u driven me so crazy
Cut, make me wanna cut

Baby gurl this the prince of Virginia.
When I say that I'm tryna get in ya.
I ain't tryna be 2 dramatic, but ya ass is past
The average, ooo the way that you movin' ya waist, so fat and a beautiful fa
ce.
Ooo gurl I gotta have ya
And don't say no, that ain't the answer.
Put your legs all up in the air.
Twist from the back and pull ur hair, ooo baby gurl let's take it there.
I'll tell u gurl I'm so prepared.
Just let me freak ya body, cuz uz a freaky shawty.
Them tig' ol whats and that big ol'butt, gurl I'm tryna get a u know what

Can you listen baby
I know that it might sound crazy
But, I Just Wanna Cut
And, Yes I gotta lady
But gurl u driven me so crazy
Cut, make me wanna cut

Baby it's the things that you do when you do what you do.
Oh babe,make me wanna cut.
It's the way that u move there is nothing to do
Make me wanna cut,
Mama right here on this floor
I gotta let u know
The way u drop it low
Ooo gurl I'm gettin swoll
Just let me take u home
Do what I know is wrong
And once we get along, baby, I'm gonna sing this song
Put ya legs all up in the air
Twist from the back and pull ur hair, ooo baby gurl let's take it there.
I tell u gurl I'm so prepared.
Just let me freak ya body, cuz uz a freaky shawty,
Them tig' ol whats and that big ol'butt, gurl I'm tryna get a u know what.

Can you listen baby
I know that it might sound crazy
But, I Just Wanna Cut
And, Yes I gotta lady
But gurl u driven me so crazy
Cut, make me wanna cut

Baby it's the things that u do
When you do what u do
It's the way that u move there is nothing to do
Make me wanna cut
And when I twist it baby
I swear the gurlz up in this club tonight

```
It ain't a problem
We don't need any room baby
And what make it special
It just as soft and round`
I gotta let u know

Can you listen baby
I know that it might sound crazy
But, I Just Wanna Cut
And, Yes I gotta lady
But gurl u driven me so crazy
Cut, make me wanna cut
```
