Whoaaaaa

Let me explain the way your love has got me feeling  
I'm willing to throw away and hang up all the pimpin'  
I'm ready to let go of my heart  
And give it all to you  
For the rest of my life  
It's like I cant roll or go with no-one else but you babe  
No body else can make me feel this way but you may  
Be the only one I love and baby that's what's up  
I'm gonna tell the world about it  
I'm gonna scream and shout it

Girl you got that  
Good kinda (Good kinda)  
Sweet kinda (Deep kinda)  
Loving  
And girl you got that  
Yeah baby  
Oh baby  
Keep it right there  
I love it  
Kinda loving  
Girl you got that  
Good kinda (Good kinda)  
Sweet kinda (Deep kinda)  
Loving  
And girl you got that  
Yeah baby  
Oh baby  
Keep it right there  
I love it  
Kinda loving

If you were music then you know I'd be the speaker  
And if I was smoking then you know  
You'd be the reefer  
And if I was standing on the block  
I'd keep you in my sock  
And that's for real  
Girl I can't see myself with no one else but you babe  
No body else can make me feel this way but you may  
Be the only one I love and baby that's what's up  
I'm gonna tell the world about it  
I'm gonna scream and shout it

Girl you got that  
Good kinda (Good kinda)  
Sweet kinda (Deep kinda)  
Loving  
And girl you got that  
Yeah baby  
Oh baby  
Keep it right there  
I love it  
Kinda loving  
Girl you got that

Good kinda (Good kinda)  
Sweet kinda (Deep kinda)  
Loving  
And girl you got that  
Yeah baby  
Oh baby  
Keep it right there  
I love it  
Kinda loving

And I'll love you 'til ain't no lovin' better  
Baby you the best  
Love you girl to death  
And you can take my heart right out my hands  
God forever planned  
Got to be your man  
So you ain't gotta worry bout this here  
Girl I'll make it clear  
Long as love is near  
You gone be alright  
Some kind of lovin' so right
