

## Two Ways

Trey Songz

Oh woah  
Oh, oh, oh  
Lately I've just been feelin' like  
We might have to try somethin' else

'Cause it's too late for us  
Girl I'm done fakin' love  
Got my mind made up and I can't do this no more  
But somehow you got me so unsure  
It goes two ways in love  
Can't be the one chasin' us  
All my money and time, I can't spend it no more  
Can't be myself if I can't be yours

Look  
Never been the one to play the fool  
Always been the one to keep it cool  
I'm a player, got me breakin' rules  
Ever since I fell in love with you  
Keep it one hunnid like the proof  
Drinkin' all night, please excuse  
Anything I'm 'bout to say to you  
I don't really got nothin' to lose  
Swangin' and ridin', I pull up and slide in you  
Say it's just me but I feel like you're lyin'  
Your phone's goin' crazy, you switch it to silent  
I only do that when there's somethin' I'm hidin'

It's too late for us  
Girl I'm done fakin' love  
Got my mind made up and I can't do this no more  
But somehow you got me so unsure  
It goes two ways in love  
Can't be the one chasin' us  
All my money and time, I can't spend it no more  
Can't be myself if I can't be yours

I've been drownin' tryna catch a wave  
You've been out here tryna run your game  
I've been thinkin' I should do the same  
But I could never put you through the pain  
I don't wanna have to turn the page  
See which way the story 'bout to play  
We might have to try another day  
We gon' have to try another way  
Leanin' and drivin', I'll be there in five  
And you in a position before I arrive  
And I don't need no guidance, you wet like Poseidon  
I wish it could be like this every time

But it's too late for us  
Girl I'm done fakin' love  
Got my mind made up and I can't do this no more  
But somehow you got me so unsure  
It goes two ways in love  
Can't be the one chasin' us  
All my money and time, I can't spend it no more

Can't be myself if I can't be yours

Too late
