

Jah Stone

Tribal Seeds

Crazed are them men, praising the morning sun
Hold us in chains, man throw us in the fire pit
Government plans deceiving the nation
Life is no game, they'll know upon judgment day

Earth kingdoms come against my father
Jah kingdom mash them down
Fools them just rush in like water
The water made still by Jah stone

Crazed are them men praising the morning sun

Government plans deceiving the nation
Life is no game, they'll know upon judgment day

Earth kingdoms come against my father
Jah kingdom mash them down
Fools them just rush in like water
The water made still by Jah stone

Jah Stone, still by Jah stone
Jah stone, still by Jah stone
Still by Jah stone
