

Tribal Seeds

Tribal Seeds

2,000 years ago in Israel
The Romans soldiers crucified Jesus Christ
They leave him for dead with thorns in his head, thorns
in his dread
But on the third day our savior did rise so open your
eyes
Jesus spoke out to the tribes
The twelve tribes of Israel
Go forth to all nations now, the nations of the world

Spread your tribal seeds
Spread your tribal seeds
Your tribal seeds
Your tribal seeds

Rubel, Shimon, Levi, Ehodah
Zebolun, Eskar, Dan, Gad, Asher
Napatili, Yosep, and Benjamin
Go to spread the word of the lion's dominion
I seed is not of corrupt
In Babylon system I will never be stuck
Jah words are truth and remain
Knowledge and righteousness is what I mon gain
Jah say spread the tribal seeds of love
Judgment one day will come
Jesus spoke out to the tribes
The twelve tribes of Israel
Go forth to all nations now, the nations of the world
