I'll holla dawg

Ta, told ya I was gone do it for ya nigga Take off Y'all know what time it is Liberty City nigga, 6-1, Pokabean, Carol City niggas Seminola niggas, Bahhas, Hialeah niggas, Matchbox, Wynwood niggas Richmond Heights, Perine niggas Homestead niggas, Florida City niggas Overtown niggas (OT), Coconut Grove niggas South Miami niggas Opa-Locka niggas (South Miami Heights too) Trick Daddy Dollars y'all, that's right I push 'em daily, smoke 'em dirty, roll 'em heavy baby Dipping corners, pulling bitches in old Chevy's baby Dubs or better, candy's and leather What you want nigga Two do's, Fo' do's We call 'em donk's nigga Breaker breaker its Dade County on the number line Seventy-one's, seventy-two's, three's, foe's, and five's My verse is seven pounds My shit be getting down I got a seven Trick ducking they can't catch me now Trick Daddy Dollars why'all I'm from the motherfuckin' city of Caprice's and Impala's I'll holla dawg the age, straight or shady I still beat it baby Married twice, five kids I still eat it lady Ain't no shit shady 'til I see better days Calico's and a.k.'s seem like the only way bodacious boulders for yo shoulders Got that fire You want get hi' so want you come on over Boy I'm a powder head X-man, X-cons I got them boys all the way from Marathon to West Palm Call me the butcher man The cookie cook it man I got a soft You want to hard I guess I'll burn it then Trick Daddy Dollars Y'all I'm from the muthafuckin city of Caprice's and Impala's

I like 'em rugged guns Thugged, cold blooded nigga Pinky ringing blinging And rollie platinum flooded nigga

Don't want no buster's either
You got to pay this diva
And if ya money ain't long nigga Ion't see ya
'Cause I'm the baddest bitch

Ballin' with the baddest clique
I make ya money disappear like a magic trick
A classy chick but I can still get it, spit it, watch it
I keep the club jumping jumping like my girl Beyonce

Selen suits looking cute with the matching boots I'm getting loochie ass juicy getting a passion fruit You know my click, Deuce Poppie and my nigga Trick The Lost Tribe, Tre-6 and we rolling thick

The diamond princess out the south can't nann ho fade it I'm a first round draft pick
Y'all bitches getting traded
I'm triple X rated

Pussy stay soakin' wet I set a nigga up quick for his coke and jet

It's Miss Trina baby
I'm from the city where the bitches shakin' ass, gettin cash
Holla back ladies

New York niggas DC niggas Detroit niggas

Va niggas Ga niggas All around worldwide nigga

I throw a bullet at you like a Danny Marino floater I'm a half a brick slanging, nutts swinging, weed roller Bustin' a blue 4-4 with the speed loader How they go toe to toe with the 44 touter

For show do Room is full of pimps and thugs Ghetto pharmacies with prescription drugs Banging like Krypts and Bloods

We wiping slugs Our enemies dripping blood Workers at the graveyard late night diggin mud To prepare ya for ya pillow inside the box

When I ride the blocks I always hide my glocks
In the dash board next to my passport
In the double S I paid thirteen cash for
My name is Richard Nixon but they screaming Deuce Pop

With the one stop shop Heroin, weed, and rocks I feed the block And ride the strip in a tinted drop

And I even met the niggas who invented rocks
I got the block game from the county of Dade
A bounty hunter won't rest till my bounty is paid
We got 200 hundred bricks coming from the direct link

I pray to God the boat carryin that coke don't sink, what

It's Deuce Poppie nigga
I'm from the home of the chrome and the chopper triggers
What's up, holla nigga
