One-two one-two  
Huh, one-two one-two one-two ( d: Mikecheck )

Look good in that magazine

God will receive us  
Got me like Jesus

Being with this temptress

It's a new age  
As long as you're humble  
Let you be the king of jungle  
We run everything  
Always and ever  
Has been has been  
Heard there's german-jamaicans  
With twisted faces  
Same as it ever was

They're not real  
I put them on their places
