

# What About My Heart

Trijntje Oosterhuis

Am I too late, to let fate turn the tide?  
Cause I misbehaved, I haven't been there by your side  
There is nothing, anything, that I can do, ooh

This house ain't no home, without you beside me  
I can't go on, what about my heart  
I'm down on my knees begging you don't go  
I don't wanna live my life without you  
Is there any way that I can make you stay  
Cause there is no one who will love me this way

Since you've been gone, I just feel that I've lost it all  
My days are so cold, you see I can't cope on my own  
Is there nothing, anything, that I can do

This house ain't no home, without you beside me  
I can't go on, what about my heart  
I'm down on my knees begging you don't go  
Cause I don't wanna live my life without you  
Is there any way that I can make you stay  
Cause there is no one who will love me this way

I got a long way to go babe but I'm on my way  
No I ain't perfect but I'm trying to change  
Just look in my eyes and I know you will see  
That you mean the whole world to me

This house ain't no home, without you beside me  
I can't go on, what about my heart  
I'm down on my knees begging you don't go  
Cause I don't wanna live my life without you  
Is there any way that I can make you stay  
Cause there is no one who will love me this way  
Oh, there'll be no one who will love me this way.
