Take Me

Playa, yeah, yeah Yeah, yeah, yeah, yeah

Yeah-yeah, yeah Take me place where I ain't gotta be sexy Just so I can be considered a lady Please tell me why the world is so shady, baby I wanna go to a world where I ain't gotta be a freak ho Just so I can be noticed by people Please tell me if you know Because I wanna go, wanna go, yeah, yeah Why is it lately? These jealous hoes gotta hate me Niggas won't give me no space They suffocate me I try to be myself niggas won't let me They'd rather sweat me Ice, freeze, and briget me But I ain't impressed with your hot car Nigga I ain't got the lock jaws I ain't fixin' to drop draw's These niggas chase me like a cop-cop In and out the Char' bottle They wanna ball with a hot star They offer me grands for one night stands Fuck that one night plan I'm looking for that one right man To save the day, wrap me in his arms Take me away, late plight till the break in the day Come on Take me to a place where all my girls on top Take me to a place where all the Benzes drop top Take me to a place where I ain't gotta trick for grands Take me to a place where my friend won't fuck my man Take me to a place where it's women with no hoes Take me to a place where the thugs get early parole Take me to a place where we ball, buying cases Diamond faces, united with all races Take me to a place where ain't no chalk traces or court cases Or black faces on front pages Take me to a place where the haters don't hate Take me away, Lord knows I can't wait, come on Every day I gotta let it go And spend the money on the one way ticket To a world where shit is better yo I be the same but a better ho And do a version of Nann with Kirk Franklin for the chedda yo They'll show my video on VH1, diva week Me, Whitney, then Aretha speak I be on top of the world and still be a freak Although I'm doing my thing I see I gotta eat cause where I'm from Life ain't sweet

Trina

Take me, take me baby Where I wanna go baby I don't wanna be a freak ho No more, more Take me, take me baby Where I wanna go baby I don't wanna be a freak ho No more, more
