

Heart Of A Fighter

Tripod

We're born and then the end is nigh
We live, we love, we laugh, we cry
We get old, we regret, we die
But not I!
I won't go into the night
I have faced a dragon's bite
When the reaper comes, I'll fight
I won't die!
Never fade away
Oh no, not I!
He will never die
Who has the heart
Heart of a fighter
Heart of a fighter
Heart of a fighter
Heart of a fighter
Heart of a fighter
Heart of a fighter
