

You Can Sleep While I Drive

Trisha Yearwood

- Em** **D**
1. Come on baby, let's get out of this town
- Em** **D**
I got a full tank of gas, with the top rolled down
- A** **Bm** **G**
There's a chill in my bones, I don't want to be left alone
- Em** **G** **D**
So baby, you can sleep while drive.
2. I'll pack my bag and load up my guitar
In my pocket I'll carry my harp
I got some money I saved, enough to get underway
And baby, you can sleep while I drive.
3. We'll go through Tucson up to Santa Fe
And Barbara in Nashville says we're welcome to stay
I'll buy you boots down in Texas, a hat from New Orleans
And in the morning you can tell me your dreams.
- A**
You know I've seen it before
- G** **D**
This mist that covers your eyes
- A** **G** **D**
You've been looking for something that's not in your life
- A** **Bm** **G**
My intentions are true, won't you take me with you
- Em** **G** **D**
And baby, you can sleep while I drive.
- Bm** **A** **D**
Oh, oh, oh is it other arms you want to
- Bm** **A** **D**
hold you, the stranger,
- A**
the lover, you're free
- Bm** **G**
Can't you get that with me?(stop)
