California Girl

Tristan Prettyman

I'll let you fall in love with me Show you how easy it can be California girl of your dreams Sitting by the sea shore Soaking up the summer breeze

Never gonna fall, I'm never gonna fall For that old trick again Never gonna fall, I'm never gonna fall For that old trick again

I can't believe I even came
Don't even know your name
Boy you know that ain't my scene
But you gotta play by the rules
If you ever gonna win the game

Never gonna fall, I'm never gonna fall For that old trick again Never gonna fall, I'm never gonna fall For that old trick again

Oh yes my words were true
True to the moment and true to you
But fear will help you make your move
Sweet kisses in the summer taste soft like honeydew

Never gonna fall, I'm never gonna fall For that old trick again Never gonna fall, I'm never gonna fall For that old trick again Never gonna fall, I'm never gonna fall For that old trick again Never gonna fall, I'm never gonna fall For that old trick again
