Assassin, Assassins,

Trophy Scars

Limb separation bone isolation.

Nothing to do but to decapitate these words

Oh yeah

Abrasive allergic inhaling detergent

Eating the last of the words that were urgent oh yeah

This little girly wants to get to the action Rob another bank and win a reaction Didn't know she owned a gun Didn't know she'd shoot that gun

Com on baby grab that cash and get in the car hit the gas the cops will catch up crazy fast Come on baby drive

I cant believe you shot that guy You better hope he doesn't die This time there ain't no alibi faster baby drive God! NO! what have we done? Bonnie and Clyde on the run, on the run

This time your
Tricky-tricky-tricky tricks
Are more than just scaring me
They're making me sick
Babies in blenders and insect intestines
Nothing to eat but stained glass in heaven, man
Oh yeah
Nodding my head to the dancing dead
You'd be so surprised what the skeleton said, man
He said
