

Shorty lethal, but I love it
When I hit her with the (deeny?) I do not glove it

I'm in love with a girl named CiCi
She a pretty little thang and she freaky
She the baddest little hoe in the tepee
When she down or her knees then she please me
She go ah-ah-ah-ah-ah-ah
Open wide bitch
She go ah-ah-ah-ah-ah-ah
That is my bitch

I'ma buy ma, wear'n Dolce & Gabbana
Forty on me too, forty worth of blue
Stones with the watch in my earrings wooo!
Cold man, my government name Roland
Met a white girl on (Ecstasy) she was roll'n

The simile in that? I be shine'n all crazy

I was locked in the bing, clink, clink
I'm buy'n CiCi a ring, ring, cha-ching
I'm married to the streets but the money ain't a thing, mothafuck!

I'm in love with a girl named Cici
She a pretty little thang and she freaky
She the baddest little hoe in the tepee
When she down or her knees then she please me

She go ah-ah-ah-ah-ah-ah
