

## Outro

**Tulisa**

The universe doesn't give you the people you want in your life  
It gives you the people you need  
To help you  
To hurt you  
To leave you  
To love you  
To make you the person you were meant to be  
It will be okay in the end  
And remember  
If it's not okay  
It's not the end
