tUnE-yArDs

I use my white woman's voice to tell stories of travels with African men  
I use my white woman's voice to tell stories of travels with African men  
I comb my white woman's hair with a comb made especially, generally for me  
I use my white woman's voice to tell stories, stories

I use my white woman's voice to interpret my travels with African men  
I turn on my white woman's voice to contextualize acts of my white women friends  
I cry my white woman tears carving grooves in my cheeks to display what I meant

I smell the blood in my voice  
I smell the blood in my voice  
Especially the blood in my voice  
Especially the blood in my voice
