Honesty, honesty, gone  
Didn't know right from wrong, honesty, honesty  
Honesty, honesty, gone  
Honesty, honesty, gone  
Didn't know right from wrong, honesty, honesty  
Honesty, honesty, gone  
Honesty, honesty, gone  
Didn't know right from wrong, honesty, honesty  
Honesty, honesty, gone  
Honesty, honesty, gone  
Didn't know right from wrong  
Honesty, honesty, gone

(Honesty, honesty, gone)  
Do you really wanna know?  
(Honesty, honesty, gone)  
(Honesty, honesty, gone)  
Do you really wanna know?  
(Honesty, honesty, honesty)  
No, no, no, no, no!

No, no, no, no!  
(Honesty)  
(Honesty, honesty)  
(Honesty, honesty)

This river runs so deep  
Hold your breath to reach the bottom

Ugly and blind, what will you find?  
Hold the sickening silt in your heart and your mind  
This river runs so deep  
This river runs so deep  
This river runs so deep

Close your eyes  
Get in touch  
With the physical sensations coursing through your body  
(Honesty)  
Breathe  
(Honesty, honesty)  
(Honesty, honesty)

Do you really wanna know?  
(Honesty, honesty)  
(Honesty, honesty)  
Do you really wanna know?  
(This river runs so deep)

No, no, no, no, no!  
Honesty, honesty, gone  
Didn't know right from wrong, honesty, honesty  
(This river runs so deep)  
Honesty, honesty, gone  
(This river)  
Honesty, honesty, gone  
Didn't know right from wrong, honesty, honesty  
(This river runs so deep)  
Honesty, honesty, gone  
(This river)
