The weight of me broke the rocking chair
Now I can't get to sleep
The weight of me broke the rocking chair
Now I can't get to sleep
The weight of me broke the rocking chair
Now I can't get to sleep
The weight of me broke the rocking chair
Now I can't get to bed

Oh how will I
Rock me, rock me, rock me
Rock me to sleep
How will I
Rock me, rock me, rock me
Rock me to bed

The weight of me broke the rocking chair
Now I can't get to sleep
The weight of me broke the rocking chair
Now I can't get to sleep
The stink of me made the flowers dead
Now I can't get to sleep
The stink of me made the flowers dead
Now I can't get to bed

Oh how will I
Rock me, rock me, rock me
Rock me to sleep
How will I
Rock me, rock me, rock me
Rock me to bed

The weight of me broke the rocking chair
