

Engine Room

Tunng

Stuck in a holiday Far into the river Sick of the flower rhymes
Go now and for our hands A tax haven for our friends Go sit in
the corner Hide in the engine room There to keep us warmer

The tickets were six pounds Photography forbidden Rugged up safe
and sound Your actions are forgiven

Stuck in a holiday Far into the river Sick of the flower rhymes
Go now and forever A safe haven for our friends Go and sit in
the corner Hide in the engine room There to keep us warmer

Safe haven for our friends Go and sit in the corner

How do birds find their way? How do... ..birds... ..birds?
