Ein, Zwei, Drei, Vier See the girl on the corner Waiting for her freight See the slow boy waiting for the power Behind the palace gates See the smart kid dead by the tracks And nobody cares See the dirty little bitches laying tired On the architect stairs They're stuck in this Babylon forever They're stuck in this Babylon forever And they're never gonna find their way home They're stuck in this Babylon forever Babylon forever See the man in the hat, oh, he's smiling Every single day See the plantation owners little girls Wear the wraps of slaves Hear the whispery sound of bumps In the night of a creepy crawl Feel the heat of the muzzle Against the skin as you dry scale the walls You're stuck in this Babylon forever You're stuck in this Babylon forever And they're never gonna find your way home You're stuck in this Babylon forever Babylon forever, Babylon forever Break out We're stuck in this Babylon forever We're stuck in this Babylon forever We're stuck in this Babylon forever Forever Forever Unless you got it figured out
