

# Everybody Loves a Chubby Dude

Turbonegro

I'm fat and I'm nationwide, I'm hungry big boy in the darkest night  
Cover... the horizon

Looking for food in the empty streets, another meal to make my life complete  
Take it up with my expanding leather, this painted boy's gonna eat forever so..

Feed me, feed me, coz everybody loves a chubby dude  
Feed me, come on and feed me, a younger male a certain magnitude

Straight out of Munich I'm the fat white dude, I'm bulimic but I've never puked  
Final.. appetizer...

Constant food, I don't mess around, invaded Poland needs some lebensraum  
I'm the eatin' godzilla, today Tokyo, tomorrow Manilla, so  
Feed me, feed me, coz everybody loves a chubby dude

Feed me, come on and feed me, a younger male a certain magnitude  
'Yummy Yummy'

Chubby Dude, Chubby Dude, everybody loves a chubby dude  
(3x)  
Chubby Dude, Chubby Dude, a younger male a certain magnitude

Feed me feed me, coz everybody loves a chubby dude  
Feed me, come on and feed me mumma  
Got my own fuckin' latitude

I am the lizard king, I can eat anything!
