

# I Didn't Know

**Tweet**

Ooh, ooh

I'm at fault  
Part of me  
For giving you the third degree  
But look how far you're pushing me (whoa)  
If we're together  
Then who is she  
I wait anxiously  
For the answer  
I'm listening (whoa)

I didn't know (oh)  
You would be the one  
Who would bring me to tears  
I didn't know (oh)  
You would be the one  
Who would bring me to tears

Oooh

Promised stars, you gave me dust  
You're standing here  
Betrayed the trust (ooh)  
So there's nothing left here for us to discuss (whoa)  
See I'll be fine, I'll readjust  
You carry on, I wish you luck  
Cause you're gonna need it (whoa)  
Who would've known  
You would make believe that you cared  
You didn't have to play it this way (oh)  
I gave you everything  
You know that I did  
What more did you want (oh)  
I thought we were better than that  
I think you really wanted me baby (me)  
Move forward, oooh  
I never did you wrong (ooh)  
It wasn't love, I agree (ooh)  
Maybe comfort  
You were safe with me  
But I can't supply that no more  
Cause it's over  
Said it's over (oh)  
Oooh  
See I never did you wrong, no  
But it's over yeah  
It's really, really over, yeah  
Over
