

I Am Ready

Twila Paris

I am ready to be
All You've given me to be
Lord, I offer You my pride
Lay it down
Where I have been bound
Father come and set me free
I am ready now to be finally me
I am ready to be
All You've given me to be
Lord, I offer You my life
Lay it down
Where I have been bound
Father come and set me free
I am ready now to be finally, faithfully, willingly me
