

Language Of Disciples

Twila Paris

Conversation day and night
Talking to each other
Filling every room with light
Talking to each other
Holding up the weary one
Speaking with a gracious tongue
Idle chatter left undone
Talking to each other

Language of disciples
Tell me, can you speak it?
Do you understand the language of the Spirit?
Don't betray an accent foreign to the kingdom
Dialect of Heaven

Many precious hours spent
Talking to each other
Keeping wisdom evident
Talking to each other
Purposing to say the best
Letting accusation rest
Edifying lips are blessed
Talking to each other

You can learn it from the Master
Make an honest choice
You can learn it even faster
Listen to His voice

La la la la la la la la
Listen to His voice
