

# Cherry Slut

Twin Atlantic

I'm here  
Just want to let you know  
That I took off my clothes and let my body glow  
I freak out, I freak out then explode  
Now I'm all over the walls, all over the walls  
I think that I should go

Yeah, come on  
Can we stay forever and never go home?

I'm here

I freak out, I freak out then explode  
Now I'm all over the walls, over the walls  
I should go

Yeah, come on  
Can we stay forever and never go home?

(I believe, I believe you're the antidote)  
(I believe, I believe you're the antidote)

Yeah, come on  
Can we stay forever and never go home?

Go home  
Go home  
Go home  
Go home
