

Dirty

Twin Atlantic

Frank Sinatra
Champagne
Fizzy bubbles, I'm on that bass train
Konichiwa
Sayonara
Feels good

And now it's a kinda miracle
When I run into ya
You're one in a million
I'm worshipping ya and I'll educate ya

Easy money
Makes me feel good
Keep it coming
Co-co-coming
Easy money
Puts me in the mood

Dirty
Ah you're so dirty
Why'd you wanna leave me?
Why'd you wanna go and break my heart?

Michael Jackson
Milkshake
Slippy nipple after the handshake
My business card
My motorcar
Feels good

Is it karma? Or is it cruel?
Don't crucify me
Don't play the fool
I'm worshipping ya and I'll educate ya

Easy money
Makes me feel good
Keep it coming
Co-co-coming
Easy money
Puts me in the mood

Dirty
Ah you're so dirty
Why'd you wanna leave me?
Why'd you wanna go and break my heart?
Cause you're dirty
Ah you're so dirty, yeah
Why'd you wanna leave me?
Why'd you wanna go and break my heart?

You got that look in your eye, I don't want it to stop
Heavy metal controls the American cops
Licking a sour desert from the floor to the top
I try to loosen my grip, I don't want it to stop

Dirty
Ah you're so dirty
Why'd you wanna leave me?
Why'd you wanna go and break my heart?
Cause you're dirty
Ah you're so dirty, yeah
Why'd you wanna leave me?
Why'd you wanna go and break my heart?

(Dirty)
I'm worshiping ya and I'll educate ya
(Dirty)
I'm worshiping ya and I'll educate ya
(Dirty)
I'm worshiping ya and I'll educate ya
(Go and break my heart)
I'm worshiping ya and I'll educate ya
