

I Cave In

Twin Atlantic

This is what you need to stay for
Here and i cant always be
In the middle.
I'm what you need to take there
I cant fell this. I cant feel this
Take a hand and hold on tight 'cos
This is what we'll do, we'll stick together.
I'm what you need to take there
I cant fell this. I cant feel this
Congratulations may we present
That your house is on fire and your insides
Cave in, another dilemma, another mistake,
another and I'm awake.
If i try then i can swim
I only have to cross the ocean, have to cross the ocean in a da
y
i can swim i only have to cross the ocean, have to cross the oc
ean
two thousand and one, three thousand and two
i have crawled to meet you in the middle
this is what you need to take there
i cant feel this i cant feel this
life from the air, life from the sea,
so difficult to be in here the middle
this is what you need to take
I cant help this i cant help this
Congratulations may we present
That your house is on fire and your insides
Cave in, another dilemma, another mistake,
another and I'm awake.
If i try then I can swim
I only have to cross the ocean, have to cross the ocean in a da
y
i can swim I only have to cross the ocean, have to cross the oc
ean in a day
If I try then I can swim
I only have to cross the ocean, have to cross the ocean in a da
y
I can swim I only have to cross the ocean, have to cross the oc
ean in a day
