

Messiah

Twin Atlantic

Why run with a knife, scream at the sky?
Holy revolt, truly divine
Under the skin, imperfect design
Uncomfortably numb
Messiah

Follow, believe in
The art of temptation
When all is lost, I'll be found
Sick from your religion

Lie
Beautiful girl, beautiful sky
He's only sixteen and ready to die
Messiah
Uncomfortably numb

Follow, believe in
The art of temptation
When all is lost, I'll be found
Sick from your religion

Temptation, religion
