Twista

I'm callin' ya daddy (daddy)
Can you be my daddy (daddy)
I need a daddy (daddy)
Won't you be my daddy (daddy)

Come and make it rain down on me Come and make it rain down on me

Now come and kick it with the Twista Black Caddy, Mack Daddy, With a hoe up in the back seat With the '97 pimp flow Gotta feelin' when you smokin' When I flip it to a track speed?

Talkin' about a beautiful figure
Astonishing as greek mythology
Body be just like a girl in uh
What's that movie? never mind
Let me enter your atmosphere
As you enter my world
And lemme touch that booty

I can't believe that your momma that cold Her daughter got such an astonishing soul You need a modeling role Still a player know you got it When you climbin' from the bottom To the top of that pole Cause you can pop and control

Your fatty's so accurate When I'm smackin' it It's makin' me say "What I gotta do to get with that?" When it come to makin' it rain, I can get it wet When it come to cuttin' the monkey I can get it wet You gone see me to ya baby You need a better man Here come the politics, I'ma be your weatherman Cause every time I'm lookin' up And I see more ass I'ma constantly see Rain in the forecast

This-a-way that-a-way
I'm flickin' 5,000 ones
Or whatever you wanna call it
It's a celebration
You the champion
Here's the fetti confetti
Come on and get drunk
With the money hauler?

You done been good,
But you can do better
I done been wet,
But I can get wetter
Come and make it rain down on me

But when I'm not for the feminine And everybody that perceive with the hatred I'ma teach them a lesson I take shots of adrenaline Cause that's the way I receive immunization Against the recession I got the muscle off my hustle and flow money An entrepreneur with ways to get more money So don't be trippin' whenever you see me throw money Haha it's just a little bit of show money But if you want me to get it wet another ways Then I'ma have to beat it up the first time I play with you girl Touch your ears and your neck and play with your pearls Then I reach up in your pants and play with you pearl? When I lay you down you ain't gotta be frontin' or fakin' On me baby cause I know it takes the right touch I ain't stoppin' til you wet up the covers Because I gotta keep on fuckin' til I see a lot of white stuff Now you got me excited I can't hold it I'm feelin' it coming I'm bout to let off an explosion Let it ride when I see you I'm ? and shakin' When I touch your body you catchin' convulsions That's when I know I'm doin' what I'm supposed to You chose me, I chose you. Don't think I can get it wet? I told you Come and let the Twist rain down on you

I'm callin ya daddy (daddy)
Can you be my daddy (daddy)
I need a daddy (daddy)
Won't you be my daddy (daddy)
