

Reach Out

Twisted Method

Where is my place in life?
Why can't I get it right?
Tell me what I'm going through.
Where are we going to turn to?
You feel alone I feel abused.
Tell me what are we supposed to do, suffer?
Reach out your hands to me
I understand you because I feel the same
It won't go away
This pain will never go away
I see it in your eyes.
You cannot hide your faces.
You're going through it too.
Where are we going to turn to?
You feel alone I feel abused.
Tell me what are we supposed to do, suffer?
Chorus
It's building up inside I know I've had enough
1,2,3 blow it up!
You feel alone I feel abused.
We share the same pain.
I know there's one thing we can do
And that's fight together and get away
Chorus out
