

Don't Let Me Down

Twisted Sister

Look at you
You're my dream
Are you all
That you seem?
Now you have what I need
And what I believe
Don't tell me you'll lose it
'Cause I'll have to leave

Don't let me down
Don't let me down
Don't let me down
Don't let me down

What do I have to give
Until you let me live?
You're all that I work for
But that's not enough
Do I have to die too
To show you my stuff?

Well, I give you my best
So, why don't you understand?
I'm passing the biggest test
So, don't cry, lend a hand

Don't let me down
Don't let me down
Don't let me down
Don't let me down

Head held high
Heart in hand
Flesh and blood
Make a man
If that disappoints you
Well, what can I say?
I don't want you to hurt
I just want to play

Don't let me down
Don't let me down
Don't let me down
Don't let me down

Don't let me down
No, don't let me
Don't let me down
No, ohh
Don't let me down
Don't let me down

Don't let me down
No, no, no, no
Don't let me down
No, ohh
