

# Under The Blade

## Twisted Sister

A glint of steel, a flash of light  
You know you're not going home tonight  
Be it jack or switch, doctor's or mind  
Nowhere to run, everywhere you'll find

You can't escape  
From the bed you've made  
When your time has come  
You'll accept the blade

You're cornered in the alley way  
You know you're all alone  
You know it's gonna end this way  
The chill goes to the bone

Now here it comes that glistening light  
It goes into your side  
Blackness comes, tonight's the night  
Blade is gonna ride  
'Cause you're under the blade, ohh  
You're under the blade

It's not another party head  
This time you cannot rise  
Your hands are tied, your legs are strapped  
A light shines in your eyes

You faintly see a razor's edge  
You open your mouth to cry  
You know you can't, it's over now  
The blade is gonna ride  
'Cause you're under the blade, ohh  
You're under the blade

A glint of steel, a flash of light  
You know you're not going home tonight  
Be it jack or switch, doctor's or mind  
There's nowhere to run, everywhere you'll find

You can't escape  
From the bed you've made  
When your time has come  
You'll accept the blade

You've tried to make it to the front  
You're pinned against the side  
A monster stands before you now  
It's mouth is open wide

The lights go on, the night explodes  
It tears into your mind  
When the night does end, you'll come again  
The blade is gonna ride  
'Cause you're under the blade, ohh  
You're under the blade

Here it comes, baby, aow, whoa

Oh, you're under it  
You're goin' down, down, down  
Down, down, down, down, down  
Down, down, down, down, down  
Hey, hey
