

## Familiar

Twiztid

Hallow, You are hallow like a well with no water and everyone's  
thirsty  
Above All Now adays everyone's confused and distraught and ever  
ything's so Promising  
Let Down Just stand on ur feet if you fall and have courage to  
walk again

Tomorrow We Will Talk about yesterday  
Right now i got nuthin' to say honestly  
Feel Betrayed like my love was ripped outta me  
The Cycle is all to fimiliar to me  
The cycle is all to fimiliar to me

Long day  
Feeling like i'm the only one running from someone  
I Can't seem to get away  
Trapped now  
Hidding away from the world with eye's closed and pretending i'  
m dead today  
Shadows  
Shadows scarpe across the floor as i wait for the sun to return  
to me

Tomorrow We Will Talk about yesterday  
Right now i got nuthin' to say honestly  
Feel Betrayed like my love was ripped outta me  
The Cycle is all to fimiliar to me  
The cycle is all to fimiliar to me

My eye's don't see... nuthing but greed ur life Your hate!  
Broken trown away my eye's still glow these feeling's come and  
go ur life jealousy these things  
should cease to be My apologese when u think of me will u over  
look all that  
i've come to be we can find a way we can make it trough can we  
shake this pain that has this hold on U!?  
Hold on you  
Hold on you

Tomorrow We Will Talk about yesterday  
Right now i got nuthin' to say honestly  
Feel Betrayed like my love was ripped outta me  
The Cycle is all to fimiliar to me  
The cycle is all to fimiliar to me  
The cycle is all to fimiliar to me  
The cycle is all to fimiliar to me
