Twiztid

Man fuck that shit man
Fuck that, what?
Man what's up with this bitch?
She better come suck my dick or sumthin'
Who's going next?
I'm dying to see
Spin the bottle baby and give it to me
It's Paulie baby Paulie with nipple lickin' love
Sportin' cowboy boots and a florescent glove
I lasso you up and then I jump on your back
I, I, I needs no saddle I just sit on my nut sac
Who's going next?

Spin the bottle baby and give it to me

And I finna get this hoe
Bottle still spinnin' and my sack about to blow
Up in my pencil
Chickie chick stop the frontin'
Let's skip the game and get on the humpin'
Who's going next?

Spin the bottle baby and give it to me

And Play-doh is green
I tap, and touch, and tickle
Till you melt like ice cream
I know you want my body
Fat kids are so sexy
Take off all your clothes
Come over here and get next to me biatch
Who's going next?

Spin the bottle baby and give it to me
It's Violent J baby

Sportin' your panties
Just to show you I'm a freak
I slide in your bed for a cotton surprise
And you got clown make-up smeared
On your inner thighs
Give it to me
