Always came up on the wheels, never on the bus  
Always did our own shit, fuck what everybody does  
We was geekin' off a molly at the festival  
Now I'm in a booty club, throwing all the ones

Champagne at the photoshoot  
Celebrating, no curfew  
Straight shots, never curve you

Droppin' points on you, ma  
Grateful tatt'd on my arm  
Jealous bitches be despised  
What the fuck they from?  
Who hide them?  
Fuck the nigga, check the iTunes  
Turned they goons all to my goons  
No sleep gang  
I'll drop you off where I found you  
Only pain we recognize is pills (pills)  
Xans, xans got you dozin' off  
Manolos, Hublots, got you showing off  
Xans, xans, got you dozin' off  
Tennis bracelet, diamond chain, got you goin' off
