

Miracle / Wherever

Ty Dolla \$ign

Another Midtown Classic

Like life's a miracle and a blessing
Every trial and test is a lesson
Gotta seek the truth and stop guessing
Ain't got no room for doubts so ask questions
Knowledge is the most powerful weapon
Gotta forward march, no half-stepping
I've learned, learned, learned, oh, woah, woah
My momma really, really tried to keep me out the terrors
"Boy, stay up out the hood" (Yeah)
And everything that they told me that I can't
Just show 'em that I could, ooh, yeah
People always told me that I was bad
I was misunderstood, but I admit that I was lost
Click, click, do ya, do ya, (Yeah, do ya)
I had to learn to halt, smoke burnin' longer, oh, oh
It's a miracle I'm still standing (Still standing, still standing)
Fuckin' with the crosstown, beefin' in my own town
Only in the mid-town
Never thought that I would make it
But, on my Momma, I'm on now

(Oh, oh) It's a miracle
(Oh, oh) It's a miracle
(Oh, oh) It's a miracle
It's a miracle, oh, woah, woah

I remember when they doubted us
Kicked us while we was down
Don't want to help us up, damn
Indoctrinated and banging before I could bust a nut
Cuttin' up, couldn't shut 'em up
Now I'm on my way upstate, locked up
Think gang things done changed, paying for wet up
This remind me of the time I survived
But in my mind, I knew that my date
Came up, knew it was God
Momma tried, but she couldn't save him
And now we on our way up
Auntie Em', now that prison brick on the way
Anticipate and they say it like
Waiting on judgment day (Huh)
Now they praise us
But we downplay fame and stay prayed up
Look where we came from, yeah
We caged up, but they couldn't enslave us
Now they're payin' us, yup (It's a miracle)

(Oh, oh) It's a miracle
(Oh, oh) It's a miracle
(Oh, oh) It's a miracle
It's a miracle, oh, woah, woah
(Oh, oh) It's a miracle
(Oh, oh) It's a miracle
(Oh, oh) It's a miracle
It's a miracle, oh, woah

It's a miracle
How they stayed hatin' on us
Guess they didn't know
We them boys, we them niggas
Look at all this money and all these bitches
But it's the realness of a millions

Keep God first and fuck them niggas
That switched up and got caught up in they feelings
I kept my ten toes down like I'm supposed to
Stay focused like I'm supposed to
And stay away from them rodents
Like I'm supposed to (Oh, oh)
Oh, yeah, it's a miracle
It's a miracle, it's a miracle
'Cause, on my momma, I'm on now

(Oh, oh, oh, oh) It's a miracle (Oh, oh)
(Oh, oh) It's a miracle (It's a miracle)
(Oh, oh) It's a miracle (Oh, oh)
It's a miracle, ooh, woah, woah (Oh)
(Oh, oh) It's a miracle (A miracle)
(Oh, oh) It's a miracle (Oh, oh)
(Oh, oh) It's a miracle
It's a miracle, oh, woah

Yeah, yeah, yeah, yeah, oh
Ooh, yeah

Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh

I, I wanna know what it do
How did we end up in this bathroom?
If you don't mind, I don't either
Long as we can keep a secret, we'll be fine
Bend you right over the sink
'Till I make that thing leak
Drippin' down your leg
Feel it hit your feet, ooh

Girl, we do it whenever
Girl, we do it whenever
Whenever, wherever
Wherever babe (Wherever)
Oh, no, no, no, no
No, no, no no (Whenever)
Wherever baby (Wherever, whenever)
Oh (Wherever, ooh, yeah)

In the jeep when I pick you up
From your momma house (Yeah)

Couldn't wait 'till we got down the block (Shit), uh
Girl, you know I can't drive with you in my lap
You a beast, you an animal
Way you ride that pole (That pole), oh
You remind me of Aaliyah when
You rock that boat (That boat), row, row

Lil' momma give me head riding

Down the highway (Down the highway), uh
Pull up then start fuckin'
In the driveway (In the driveway) uh
Baby girl sex crazy (Crazy)
Everytime we fuck is so amazin'
She my lil' freak (Ooh, yeah)
She my lil' baby (Uh-uh-uh, yeah)

Girl, we do it wherever (Wherever, baby)

Whenever, wherever
Wherever baby (Wherever)

In the jeep when I pick you up
From your momma house
