Ty Dolla \$ign

[Kid Cudi (Ty Dolla \$ign):]

Nah, nuh, nuh, nuh
Nuh, nuh, nuh, nuh, nuh, nuh
Woah, woah
(Ayy)

[Ty Dolla \$ign:]

She left me out here with temptations, (Temp-temptations)
With temptations (Temptations)
She left me out here with temptations (Temptations)
With temptations (Temptations)
Ooh, now, I don't know how to act
Ooh, now, I don't know how to act
Ooh, now she tryna get me back (Back)
Ooh, now, I don't know how to act (Yeah, ooh)

Even though I got options, still trippin' on you
I got choices on choices, still ain't over you
You know I'm picky, I'm just seein' what I like
So it's fuck your feelings, girl, I'm single for the night
Girl, I'm cool off you, I might pull up on the next bitch
Chuckin' up the deuces, while you walkin' out the exit
Why the fuck you throwin' shade, when I'm the one that you obsessed with? (Yeah, uh)
Tempted to touch, all this tension with us
The way you throw it back, I'm still tempted to fuck (Ooh, yeah)
But I'm good, love, enjoy, I'ma fall back (Squad)
You put me in the doghouse like I'ma crawl back (Ayy)

You left me out here with temptations (Temp-temptations)
With temptations (Temptations)
She left me out here with temptations (Temptations)
With temptations (Temptations)
Ooh, now, I don't know how to act
Ooh, now, I don't know how to act
Ooh, now she tryna get me back (Back)
Ooh, now, I don't know how to act (Yeah, ooh)

[Kid Cudi (Ty Dolla \$ign):]

My love for you (Oh)
Won't ever go anywhere (Ooh, yeah)
Your touch, your feel, babe (Yeah)
Just trust I'll be there (There)

[Kid Cudi:]

Here we go, the top was still the same, baby
Can't forget, this shit that we been through, baby
Ain't no nigga that can do you like I do
I keep that body, always checkin'
Know my lovin' here for you, yeah
Call me up, say you thinkin' 'bout me heavy
You ain't gotta ask me twice
You know I'm muhfuckin' ready
The days they go, sweet baby, come by
I'm waitin', I'm patient, temptation of mine

[Ty Dolla \$ign:]

She left me out here with temptations (Temp-temptations)
With temptations (Temptations)
She left me out here with temptations (Temptations)
With temptations (Temptations)
Ooh, now, I don't know how to act
Ooh, now, I don't know how to act
Ooh, now she tryna get me back (Back)
Ooh, now, I don't know how to act (Yeah, ooh)
