

# The Blues Ain't News To Me

Ty England

I know you were expecting teardrops when you told me  
'Bout your somebody else, I hope I didn't disappoint you  
By taking it all so well and if I don't seem as broken hearted  
As you thought I should be, it's just the blues ain't news to me

I've got it down being down, I knew my way around  
I've shed my shear of tears, I've seen enough breaking up  
Seems like it taking up most of adult years  
Yes, I'm familiar with the situation, it's my semi occupation  
I said the blues ain't news to me

It's nice to know you're worried about me, concerned  
About the way I feel, well it's just another day at the office,  
baby  
It really ain't no big deal, now I've almost got it to a science  
They oughta give me a degree, it's just the blues ain't news to me

I've got it down being down, I knew my way around  
I've shed my shear of tears, I've seen enough breaking up  
Seems like it taking up most of adult years  
Yes, I'm familiar with the situation, it's my semi occupation  
I said the blues ain't news to me

So if I'm quite devastated, don't take it too personally  
It's just the blues ain't news to me
