

Candy Sam

Ty Segall

Candy Sam
I want some
I want fun
Candy man
In my hand
Candy Sam

Pick me up
I am done
Candy's gone
No more fun
High and dry
I am done
Candy Sam
Give us some

Happy man
Make me believe, make me see
Preacher man
In your hand, I am free
Put me down, on the ground
Bury me, lay me down
Candy Sam, leave me be
Now that I have my candy

Pick me up
I am done
Candy's gone
No more fun
High and dry
I am done
Candy Sam, give me one
Put me down, on the ground
Bury me and lay me down
Candy sam, leave me be
Now that I have my candy
