

Already Won

Tye Tribbett

How can I ever be defeated
By someone who's already lost
And how can I think I'll never make it
When I know I've already won

I've already won
I've already won, won, won, won, won, won
I've already won
I've already won
Oh oh oh, oh oh oh
Already won
Oh oh oh, oh oh oh
Already won
Oh oh oh, oh oh oh
Already won
Oh oh oh, oh oh oh
Already won

Why should I ever fear the giant
Just because he stands mighty and strong
When I serve the God who's even bigger
And to Him this giant is small

So tell me who can stand before us
When we call on the greatest name
Jesus Jesus Jesus Jesus
That's the name that's mighty to save

I've already won
I've already won, won, won, won, won, won
I've already won
I've already won
Oh oh oh, oh oh oh
Already won
Oh oh oh, oh oh oh
Already won
Oh oh oh, oh oh oh
Already won
Oh oh oh, oh oh oh
Already won

Oh oh oh, oh oh oh
Already won
Oh oh oh, oh oh oh
Already won
