

## Do You Know Like I Know

Tye Tribbett

Do you know like I know  
The real meaning of Christmas  
It's all about Jesus (2x)  
It's the time of the year  
Christmas season is here  
And the streets are filled from here to there  
People don't take the time to see  
That it's not about you or me  
But it's about the Man who calmed a raging sea (Do you know like I know)  
We take for granted what He's done throughout the year  
People spending money without a care  
It's time out for all the madness  
Let's get back to real happiness  
Cause Jesus is the reason for the season

It's that time of the year  
Christmas season is here  
And the streets are filled from here to there (Do you know like I know)  
People don't take the time to see  
That it's not about you or me  
But it's about the Man who calmed a raging sea (Do you know like I know)  
We take for granted what He's done throughout the year  
People spending money without a care (Do you know like I know)  
Time out for all the madness  
Let's get back to real happiness  
Cause Jesus is the reason for the season

Born in a manger cause He died for me  
And He left us His spirit to guide our soul

This Christmas  
It's all about Jesus  
This Christmas
