

Give Thanks

Tye Tribbett

Everybody clap clap
Yeah!
Wow!
Lemme hear your hands like this
Come on!
Aw!
Wow!
Yeah!

1, 2, 3, come on!

When I think of all you've done
And all the ways you've made
My soul is grateful
Your love has never failed
It's always stayed the same
Truly grateful

Give thanks
Give thanks
For the Lord is good
And he's always been good
We give thanks
Give thanks
For the Lord is good
And he's always been good

1, 2, 3, come on!

All my needs you supplied
And you never leave my side
My soul is grateful
Every morning new mercy
Every battle is a victory
I'm truly grateful

Give thanks
Give thanks
For the Lord is good
And he's always been good
...

Your goodness is everlasting
Your love never fails
...

We'll forever praise the name of Jesus, of Jesus...

The only one worthy
The only one that deserves all praise
So we give it to you forever

We'll forever praise the name of Jesus, of Jesus...
