

# Hold On Be Strong

Tye Tribbett

Have you ever felt like giving up  
And throwing in the towel  
Have you ever been so discouraged  
You said what's the use in praying anyhow  
Has the devil ever attacked you  
When you were already feeling low  
And you said to yourself now hold it  
How much lower can I go  
Then the Lord spoke to you  
In the stillness of the night  
And He said if you trust in me  
I'm gonna make everything alright

Just keep on holding on  
When the world says you can't make it  
Holding on  
When you feel like you can't take it  
Just keep on holding on  
No matter how down you get  
Just hold on be strong  
You can make it

Holding on  
When your problems seem hard to bear  
Holding on  
When it seems nobody cares  
Just keep on holding on  
No matter how down you get  
Just hold on be strong  
You can make it

The road may not be easy  
No one said it would be  
But keep on holding on  
'Til the victory  
Just hold on be strong  
You can make it

Everything's gonna be alright  
If you just hold on through the night  
Joy's gonna come in the morning light  
You can make it
