

Holding On

Tye Tribbett

I will keep holding on
I believe you are strong enough
To bring me out, of every storm
And I won't lose faith
In you, you are strong enough
To do whatever it takes
Whatever it takes

And I'll, I'll keep holding on to you
And I won't let go
I'll keep holding
I'll keep holding on to you
And I won't let go

Sometimes my problems weigh me down
And yes my heart gets overwhelmed
But I will hold on
I will hold on
And when I can't control my tears
And when one night seems like a year
I will hold on
I will hold on
And when it seems there is no end
To all the pain and suffering
I will hold on
I'll still hold on

And I'll, I'll keep holding on to you
And I won't let go
I'll keep holding on
I'll keep holding on to you
And I won't let go
[repeat]
I won't let go
I can't let go
Where else would I go
