

Look Up (lude)

Tye Tribbett

Look up look u...up look up look up
Look up look u...up look up look up
Please
Look up
God will come through but now you gotta
Look u...up
I know it's been rough but hey you gotta
Look up
Tears in your eyes just look to the sky
Look up
You'll find out that He was there all the time
Look up
I know you've been through but sure you've gotta
Look u...up
It's all up to you look to the Father
Look up
So don't miss your chance look to the hills
Look up
And you'll find out Jesus is real
Ooooh
New Orleans
Look up
Camden
Look up
Mississippi
Look up
Everybody
Look up
Your help is right there
