## Look Up (lude)

**Tye Tribbett** 

Look up look u...up look up look up Look up look u...up look up look up Please Look up God will come through but now you gotta Look u...up I know it's been rough but hey you gotta Look up Tears in your eyes just look to the sky Look up You'll find out that He was there all the time Look up I know you've been through but sure you've gotta Look u...up It's all up to you look to the Father Look up So don't miss your chance look to the hills Look up And you'll find out Jesus is real Ooooh New Orleans Look up Camden Look up Mississippi Look up Everybody Look up Your help is right there Look up
