

# Seated At The Right Hand Of God

Tye Tribbett

Now He's seated at the right hand of God  
He is our Savior  
and His name is Jesus  
The One who came and died and now He lives  
Lion of Juda  
oh Jesus  
His face is shining as the morning sun  
the Great Redeemer  
His name is Jesus  
His name is Jesus  
The peace that's in His eyes dries every tear  
The breath of life  
oh Jesus

He still has the nail prints in His hands and in His feet  
His power can remove them but it stays for all to see  
To remind us of the pain and agony that He endured on Calvary

Now He's seated at the right hand of God  
He is our Savior  
and His name is Jesus  
His glory is the Light that fills the sky  
The Son of God  
oh Jesus  
oooh I feel His presence blowing in the wind  
He's all around me  
and His name is Jesus  
I'm amazed that He wants me near  
I'm going closer  
oh Jesus

He still has the nail prints in His hands and in His feet  
His power can remove them but it stays for all to see  
To remind us of the pain and agony that He endured on Calvary

Now He's, now He's  
seated at the right hand of God  
He is our Savior  
and His name is Jesus  
The peace and angels round the throne proclaim that He is mighty  
Oh Jesus  
He is the King who reigns victorious  
He has all power  
and His name is Jesus  
oOoOoOh  
Who am I to serve a God like this  
I bow right now  
(Alleluyah, Alleluyah)  
oh Jesus  
Oh it's Jesus  
His name is Jesus  
Yes it's Jesus  
Jesus  
oh it's Jesus  
His name is Jesus  
His name is Jesus  
Jesus

oh Jesus  
His name is Jesus  
He's my Saviour  
Jesus  
My Redeemer  
His name is Jesus  
oh it's Jesus  
Jesus  
Yes it's Jesus  
His name is Jesus  
How I love you  
Jesus  
I adore You  
His name is Jesus  
His name is Jesus  
Jesus  
Oh sweet Jesus  
His name is Jesus  
Oh sweet Jesus  
Oh sweet Jesus  
His name is Jesus  
His name is Jesus  
His name is Jesus  
His name is Jesus  
oh sweet Jesus  
Holy Son Jesus  
Jesus
