

Turn It Over To Jesus

Tye Tribbett

Turn it over to Jesus
He can work it out
(3xs)
He Can
He Can
Work it out
(2xs)

That problem that I had
I just couldn't seem to solve
I tried and I tried
I kept getting deeper involved
But I turn it over to Jesus
I stopped worrying about it
He Can
He Can
Work it out
(2xs)

That pain that would not move
I had to take it to the upper room
Those burdens that I bore
I said Lord how much more
But I turn it over to Jesus (Vanp)
I stopped worrying about it (Vamp)
He Can
He Can
Work it out
(2xs)
