

## War (Outro)

Tye Tribbett

War  
War  
War  
This is war

Rise up  
Not gonna take no more  
Wake up  
Time to fight this war  
Rise up  
Not gonna take no more  
Wake up  
Time to fight this war

'Cause we are stronger  
Than being in the bat  
And we have no fear  
We got victory  
We are stronger  
Than being in the bat  
And we have no fear  
We got victory

Go with me for the distance  
Don't let them cross here  
We always win  
We always, we always win  
We always  
Always  
We always win  
Hey, we won't be defeated  
Greater is he that's in us  
Than he that's in the world  
So we won't be defeated
