

# What Can I Do

Tye Tribbett

Tell me what can I do  
Cause I can't live without  
I can't live without you

So here's my heart.  
Here's my mind  
I give you my soul  
Need you to take control

Cause I've tried it  
Tried it on my own but  
what i found is  
I can't make it

on my own  
on my own

I can't make it  
I can't make it

on my own  
on my own

I can't make it  
I can't make it

Tell me what can I do  
Cause I can't live without  
I can't live without you

on my own  
on my own

I can't make it  
I can't make it

on my own  
on my own

I can't make it  
I can't make it

Tell me what can I do  
Cause I can't live without  
I can't live without you

Oooh. Ooooh. Ooooh. Ooooh.  
Oooh. Ooooh. Ooooh. Ooooh.  
Oooh. Ooooh. Ooooh. Ooooh.  
Oooh. Ooooh. Ooooh. Ooooh.

I can't walk without you  
I can't talk without you  
I can't sing without you  
I'm nothing without you

I can't live without you

I can't breath without you  
I can't be without you  
There's no me without you

I can't walk without you  
I can't talk without you  
I can't sing without you  
I'm nothing without you

I can't live without you  
I can't breath without you  
I can't be without you  
There's no me without you

Tell me what can I do  
Cause I can't live without  
I can't live without you
